Kevin Crookes is the Senior Forensic CCTV Consultant for the Southern half of the UK. He resides in Bristol. He started his career in CCTV analysis with Avon and Somerset Police as a YTS trainee in 1986. His training lasted two years whereupon he left to pursue a civilian career in the Audio Visual world. Kevin's interest in the legal aspect of CCTV analysis brought him back to Avon and Somerset Police in 1989 where he remained in the post of Video

technician until 2005. His final position under Police employ was in the Simulated Operations Suite where he was responsible for the development of computerised audio and visual multi media materials for simulated operations training.
