

The logo for Wayman features the word "WAYMAN" in a bold, black, sans-serif font. To the right of the text, there is a stylized graphic consisting of a blue and white swoosh that curves upwards and to the right, resembling a wing or a tail. The swoosh is composed of multiple parallel lines that create a sense of motion and depth.

Kevin Holloway is a Senior Consultant Forensic Collision Investigator and Vehicle Examiner for Wayman Experts. He resides in South London. He is a full member of the Institute of Traffic Accident Investigators (M.I.T.A.I)

Kevin served with the Metropolitan Police for over 33 years. In 1982 he commenced Road Policing Duties and has been involved in Collision Investigation work since 1987. In 1988 Kevin became a full time member of the

Metropolitan Police Collision Investigation Unit based in Croydon. With the closure of Croydon in 1998 he was moved to Catford Collision Investigation Unit. During this time, he was attending numerous collision and major crime scenes. Upon retirement at 30 years service he continued his role but as a civilian Collision Investigator undertaking exactly the same roles. He has presented evidence in Coroners, Magistrates, Crown and Civil courts.
